A Message from the Chairman

As the 2011/2012 season approaches and the London 2012 Olympics I would like to wish everyone an enjoyable, injury-free and successful season. Last season our Ladies 1st XI gained promotion to Division 1 South and many of our juniors have flourished under the England HA 'Single System' gaining county and regional honours.

Our objectives for the season include getting the Ladies 1st XI consolidated in Division 1 South and for the Men's 1st XI to contend for promotion into the Premier Division A. For the rest of us it would be great if no sides were relegated this season and every team finishes as high as possible in their respective leagues. However, this will only happen if we all better commit in terms of availability and training attendance.

On behalf of the club I'd like to formally thank both our Club Captains from last season (Mike Carragher & Helen Hewlett). Special mention and thanks should also go to all of our team captains and vice captains, coaches and umpires plus the bar and catering staff.

The club would welcome further help from members particularly if you can help coach on a Sunday morning our growing junior section, can contribute content for our recently revamped website (for which I sincerely thank our Webmaster Tim Kitchener) or assist the club in gaining reaccreditation under Club's First.

Sadly, one of our life members Alasdair McNab and one of our Vice Presidents (John Cole) have both recently passed away. Our condolences go out to their respective families.

Gary Pond

General Notes

Availability

Players are requested to inform their team or club captain of their availability. Please give at least one week's notice of unavailability. If you have not been available the previous week and are not informed that you are selected for the current week by Wednesday evening please phone your captain or club captain.

Accidents do happen, people are sometimes forgotten! Tell your captain ASAP if you are suddenly unavailable.

Cancellations

Always assume your game will be played, but if a match may possibly be cancelled due to bad weather conditions, players should check by telephoning their captains on the morning of the match.

Equipment

Shirts are provided for all teams. **All players should also carry a spare white shirt and a spare pair of navy blue socks for all matches.**

Some Club Track Suits, training tops, socks, shorts and skirts are available from Kick off Sports in Hermitage Road, Hitchin. Goalkeeping kit may also be available through the club. Please contact your captain or club captain who will find out more details.

To be eligible to play after 31 October subscriptions must be either paid in full or the first direct debit payment have been made. Please see your club captains if you are unable to pay by this date, as arrangements for staged payments are possible.

Match Fees:

Seniors = £10 Juniors/Students and registered unemployed = £5

Insurance

The hockey club is not insured for accidents to players but is covered by public liability insurance. Other clubs may not be covered and Letchworth Hockey Club cannot be responsible for any accidental personal injury or consequential loss.

All Level One coaches and umpires are strongly advised to have third party insurance cover, either through hockey wise, and/or by joining the Hertfordshire Umpire's Association (UA) as an associate member – one of the benefits of the Herts Umpire Association is that the small annual fee provides full insurance cover whilst umpiring a match. Membership of the UA is a requirement of the men's East League for league matches in leagues four and above. The club is happy to reimburse umpires for any affiliation fees to the UA

DISCIPLINE

All matches will be played in accordance with the current rules of hockey. The England Hockey rules on disciplinary procedures shall automatically apply, whether or not neutral umpires have been appointed.

Any player receiving a RED card will automatically be suspended for a minimum 16 days [31 days where the case involves violence]. This suspension will apply to all hockey (including training) during the period of the suspension. Red cards at all levels are automatically referred to the Hertfordshire County Hockey Association's Disciplinary officer for ratification. The HCHA may award a longer suspension, but never a shorter one.

Other penalties, in addition to the above, may be imposed for any breach of discipline to the club's own disciplinary code.

HOW TO FIND US:

From the A1 (M)

Take the third right by the pillar-box, into **Whitethorn Lane**. The club is on the left hand side through the green double gates just after the bollards where the road narrows.

From The A505

Follow the A505 into Letchworth until you reach a crossroads controlled by traffic lights. From Baldock turn left (right from Hitchin) into **Willian Way**. Take the first left into **Whitethorn Lane**. The club is on the right hand side through the double green gates just before the bollards where the road narrows.
